Overview

GWWN Photo Gallery: Past Networking Expressions

Learn – Fun—Share – Connect

Part II-A *is the power of a picture worth a thousand words.*

This photo gallery captured during GWWN’s past 22 years history is not in chronological order. Nor, does it contain images of each year and all events and activities. Travel with us on this journey as each page unfolds and every photo tells a story. Observe various expressions depicted in networkers and in the ambience.

This is **Part II-A** to *A Celebration of 22 Years of Service: Looking Back: GWWN Highlights 2016-2017 Program Year, Part I*. Be sure to read **Part I**, **Part II-B**, **Part II-C**, **Part II-D**, and **Part II-E** features *“A Tribute to Wendy Rue, NAFE, Founder and Executive Director”*.

GWWN’s mission and vision are being accomplished in this historic photo gallery. We share how learning and connecting is fun as well as educational. There are awesome benefits. It simulates and energizes. Expect to receive new inspiration and creative ideas as you enjoy each expression. Be prepared to do something new and exciting. There are several parts; we recommend you schedule time to view all of them with a full screen.

Thank you for supporting GWWN over the years.
